All Blues

By Miles Davis

The sea, the sky, the you and I
The sea, the sky, for you and I
I'll know we're all blues
All Shades, all hues, all blues

Some blues are sad
But some are glad,
Dark-sad or bright-glad
They're all blues
All shades, all hues, all blues

The color of colors
The blues are more than a color
They're a moan of pain
A Taste of strife
And a sad refrain

A game which life is playin'
Blues can be the livin' dues
We're all a-payin'
Yeah, Oh Lord

In a rainbow
A summer day that's fair
A partyer is prayed
A lament that's made

Some shade of blues is there;
Blue heaven's hue,
They're...
