Maiden Voyage

By Herbie Hancock

See the sky, let's explore it's hue.

Tide is high, time for your debut.

Like a ship, you must leave this bay.

On this trip you'll learn love today.

The time has come to take a dare.

Maiden voyage first affair.

Set your sails to cast away.

Chart your course of love today.

Now we're clear, homeward bound are we.

Listen dear, as you sound your sea.

Soon you'll cry lovely thoughts you'll say.

Sail on high, you'll learn love today.
